A Brief History

In the Late 1800's The Wellwood Club was originally a private Hunting and Fishing Club that was established as "An organization of optimists and humanitarians in the broadest sense. Its purpose is to promote the 'happy' habit; to reduce the friction of life to a minimum and increase the pleasure of existence to the maximum; to discourage strife and promote good fellowship." The Wellwood continues to promote this sentiment to this day.

The Metz family acquired the Wellwood in 1958. We believe in using only choice meats, fresh seafood and fresh produce in preparing a quality meal for you & your guests. Enclosed you will find some menu suggestions to assist you in planning your event. We can customize your menu and event to suit your needs. If you have any questions please feel free to ask. We look forward to working with you to make your event memorable!

The final guarantee of the guest count is due 7 days prior to your event. The final guarantee shall not be less than the original count on the signed contract.
